Dear Erica,

Congratulations on being named to the Dean's List at Ivy Tech Community College. By being named to our Dean's List for the Fall 2012 semester, you have not only distinguished yourself as being one of our highest achieving students, you have also demonstrated qualities of perseverance and hard work. These are attributes that will serve you well throughout your professional and personal life. Furthermore, your success will encourage other students.

You are probably juggling numerous life responsibilities while pursuing your education at Ivy Tech. Most likely, you are working at least part-time, and you may have significant family responsibilities as well. These are obligations that make it more challenging to pursue academic excellence while balancing other aspects of your life. You have risen to this challenge, and we sincerely hope that you continue your high level of achievement by remaining on the honors list in subsequent semesters.

Once again, congratulations on pursuing excellence. Ivy Tech is honored that you have chosen us for your educational pursuits. We take our responsibility seriously to provide you with the best possible education at an affordable cost. Best wishes for continued success.

Sincerely,

Frank Moman, Ph.D.
Interim Vice Chancellor of Academic Affairs
