Volcano Activity Learning Groups

For this activity you will work in a group of up to four students. Each group will create a poster showing the parts of a volcano. When you have completed all of the steps below, use the attached rubric to self-assess your group's work.

| Volcano Vocabulary Words | | | | | | | |
|--------------------------|--------|---------|--|--|--|--|--|
| Magma | Crater | Conduit | | | | | |
| Vent | Ash | Lava | | | | | |
| Base | Flank | Summit | | | | | |

- 1. Use Encarta or the Internet to discover what each of your volcano vocabulary word means and where on a volcano they are located.
- 2. Using a sheet of poster board and class art supplies, draw a volcano and clearly label each part. You may also use any art materials to add interest to your poster.
- 3. Word process a one page report using your volcano vocabulary that explains what happens when a volcano erupts.
- 4. Turn in your research, poster, and report at the Science Center when you are done.
